### / MAKING PAYMENTS

PowerPlan statements are generated monthly. Your account will fall into one of four statement cycles (ending on the 1st, 8th, 15th, or 26th of the month), which was selected based on when your account was set up.

Prefer a different statement cycle? Simply contact John Deere Financial Customer Service.

Your payment due date is 20 days from your PowerPlan statement date.

Finance charges accrue if the entire balance is not paid by the due date, and a late fee will be charged if the minimum payment is not received by the due date.

The PowerPlan account is administered by John Deere Financial, so payments **should not** be submitted to your John Deere dealer. PowerPlan payments can be made in a variety of ways:
